

OAHPERD 2016-2017

Trish Hughes – Adapted Council Chair-Elect

Trish Hughes is an Associate Professor at OSU- Stillwater and has taught in the Physical Education Teacher Education program for the past 14 years. She earned her bachelor in Education of the Deaf degree from TCU. Her master and doctoral degrees were from TWU in Kinesiology, specializing in Adapted PE. She currently teaches one section yearly in Adapted PE for the seniors in the OSU PE program. Trish taught special education in Texas schools for the first seven years of her teaching career, followed by college teaching and adapted PE consulting for various school districts in Texas. She enjoys being active, reading, sewing, photography, and animals. She is currently planning a July trip to South Africa to work at a cheetah sanctuary and is in the pre-building stage of a treehouse near Branson, MO.
