**Our goal? – to chip EVERY pet!**

Project Chip'n is another community outreach program offered by **OUTREACH TO PETS IN NEED**. Your pet will receive a FREE microchip with lifetime registration in HomeAgain's registry to give him or her the best chance of coming back home should a disaster strike or if lost or stolen. A microchip implant takes just seconds for a vet to administer, and then your pet has permanent ID that will last its entire lifetime.

***Come meet our beautiful dogs  
looking for homes!***

***Join the fun with Face painting,  
Caricatures, & Halloween photos  
with Woofer (Choice Pet mascot)!***
