# R360 VALVE

ADAPTOR SERIES

- ✓ Do you have an old, inefficient in-floor cleaning system?
- ✓ Are you tangled up with an ugly robot cleaner?
- ✓ Are you tired of costly repairs and less than effective cleaning?

# We have the **SOLUTION!**

## INTRODUCING THE R360 VALVE Adaptor Series!

- Improve cleaning and overall performance  
(New valve allows more water flow to each jet for greater coverage)
- Save energy dollars with lower pressures  
(More water flow per minute allows for reduced pump time or lower RPMs)
- Low-hassle, low-cost maintenance  
(DIY solutions with only 3 inexpensive parts)

### Replacements available for the following valves:

- 5 Port Models: *Caretaker/Polaris Gould Master A&A (requires the C5 Adaptor)*
- 6 Port Models: *Paramount (requires the P6 Adaptor)*
- 6 Port Models: *A&A QuickClean (No adaptor required)*

Don't you give up on your  
old in-floor cleaning system!

# REVIVE IT!
