

FELTUM FLORAFELT SPECIFICATIONS

TECHNICAL DATA

FLORAFELT

100% PLANT AND WOOD FIBERS. MADE IN GERMANY.

ABOUT FLORAFELT

Florafelt is a felt based on renewable resources such as fibres from fast growing plants and wood. It is suitable for vegans, for people with an intolerance against animal hair, for ecologically minded people.

Certainly, PET based felt might be an option for vegans and allergic persons – but would that really be ecological?

MEASUREMENTS

THICKNESS

1 mm
2 mm
3 mm
4 mm

WIDTH

Rolls come in 180 cm - 70 3/4 in width
