Juliana v. United States was brought by 21 young plaintiffs, and Earth Guardians, who argue that their constitutional and public trust rights are being violated by the government's creation of climate danger. The case is one of many related legal actions brought by youth in several states and countries, all

supported by Our Children's Trust, seeking science-based action by governments to stabilize the climate system.

Counsel for Plaintiffs include Philip L. Gregory, Esq. of Cotchett, Pitre & McCarthy of Burlingame, CA, Daniel M. Galpern Esq. and Julia Olson, Esq. of Eugene, OR.

Our Children's Trust is a nonprofit organization, elevating the voice of youth, those with most to lose, to secure the legal right to a healthy atmosphere and stable climate on behalf of present and future generations. We lead a coordinated global human rights and environmental justice campaign to implement enforceable science-based Climate Recovery Plans that will return atmospheric carbon dioxide concentration to below 350 ppm by the year 2100. www.ourchildrenstrust.org/

Earth Guardians is a Colorado-based nonprofit organization with youth chapters on five continents, and multiple groups in the United States with thousands of members working together to protect the Earth, the water, the air, and the atmosphere, creating healthy sustainable communities globally. We inspire and empower young leaders, families, schools, organizations, cities, and government officials to make positive change locally, nationally, and globally to address the critical state of the Earth. www.earthguardians.org
