Juliana v. United States Youth Plaintiffs and Greta Thunberg
to Address the Nation in front of the U.S. Supreme Court

WHAT: For the first time, the youth plaintiffs behind the landmark constitutional climate lawsuit, Juliana v. United States and Swedish climate activist, Greta Thunberg, will come together to address the Nation and the world’s leaders at a press conference in front of the U.S. Supreme Court.

WHEN: Wednesday, September 18, 2019 from 9:30 - 10:30 am EST

WHERE: United States Supreme Court, 1 First St NE, Washington, DC 20543
Press Conference will take place in front of the steps

WHO: Seven of the Juliana plaintiffs, including Kelsey Juliana and Xiutezcatl Martinez, Greta Thunberg, and members of the U.S. Congress.

WHY: The youth will call on people from around the world to join them in the Global Climate Strike on September 20, 2019 to urge leaders to take immediate action to address the climate crisis.

The Juliana plaintiffs and Greta are also calling on members of Congress who support the lawsuit and the climate strikes to attend and speak at the press conference. They will ask the legislators to pledge to continue their support for the youth’s fundamental rights to life, liberty, and property and join in their work to secure a stable climate system.

Counsel for Plaintiffs are Julia Olson, Esq. of Eugene, OR, Philip L. Gregory, Esq. of Gregory Law Group of Redwood City, CA, and Andrea Rodgers, Esq. of Seattle, WA.

Our Children’s Trust is a nonprofit organization, leading a coordinated global human rights and environmental justice campaign to implement enforceable science-based Climate Recovery Plans that will return atmospheric
carbon dioxide concentrations to below 350 ppm by the year 2100. We elevate the voice of youth, those with most to lose in the climate crisis, to secure the legal right to a healthy atmosphere and stable climate on behalf of all present and future generations. www.ourchildrenstrust.org/

**Earth Guardians** is a Colorado-based nonprofit organization with youth chapters on five continents, and multiple groups in the United States with thousands of members working together to protect the Earth, the water, the air, and the atmosphere, creating healthy sustainable communities globally. We inspire and empower young leaders, families, schools, organizations, cities, and government officials to make positive change locally, nationally, and globally to address the critical state of the Earth. www.earthguardians.org

**350.org** is an international campaign working to end the age of fossil fuels and build a world of community-led renewable energy for all. We're building a future that's just, prosperous, equitable and safe from the effects of climate change.
