Dear Senator Gore:

On the President's behalf, I would like to thank you for your May 21 letter regarding the "greenhouse" effect.

Your concern over the seriousness of this problem is being conveyed to the President and his advisers on environmental issues. You may be assured that we appreciate receiving your recommendations for addressing this problem and we will be pleased to review the option which you suggested to coordinate efforts to deal with this phenomenon.

With best wishes,

Sincerely,

William L. Ball, III
Assistant to the President

The Honorable Albert Gore, Jr.
United States Senate
