Minimum of 6 painters required to reserve party room. Main studio can easily seat your smaller group, and we will still provide an enjoyable painting party. Party room seats up to 14 guests. Parties larger than that will need to make special arrangements

Room is reserved with 15 minutes allowed both before and after event for your set-up and take-down. You may bring in food, beverages or decorations. We ask that painting comes first as we don't want any accidental damage to your masterpiece. We'll handle normal cleaning of the room for our next guests. If more time is required, you may be asked to move into main room due to an incoming party.

Our staff is available to encourage your children, not to discipline them. A responsible adult should remain on-site at all times. Dangerous or destructive behavior will result in a shortened party.

Pottery Burn Studio parties larger than 14 guests will be priced on an individual basis by arrangement with owner.
