

MAKING A DIFFERENCE

Many of our church partners get involved in one of the following ways:

1 HEAR OUR STORY

Encourage and inspire your congregation with the story of what God is doing in Latin America with a story of transformation filmed in the beautiful Santa Cruz, Bolivia.

Video

We'll ship you a packet that includes everything you need to inspire your church body. (4 minute video on DVD/Flash Drive, brochures and partnership envelopes).

In Person + Video

We'll send one of our team members to share first-hand, show the short film and distribute partnership envelopes.
