1. I agree to provide for the care and safety of this animal and to provide a healthy, loving, safe environment until the animal is adopted into a permanent home. I am aware that fostering may be a short or long-term commitment for this animal.
2. I agree that this animal remains the property of A Tail To Be Told until it is adopted. I understand that a foster home may not give an A Tail To Be Told animal to any other person or organization other than A Tail To Be Told. If I cannot keep this animal as a foster or this foster situation does not work out for any reason, the animal will be returned to A Tail To Be Told.
3. I understand that A Tail To Be Told reserves the right to evaluate the living conditions of the animal at any time and I agree to surrender the animal if conditions are not found to be satisfactory.
4. I agree to provide good quality food, fresh water, clean litter, and socialization. When food and litter or other supplies are donated to A Tail To Be Told they are available at no cost to foster homes.
5. I agree that this animal must be kept as an indoor pet only.
6. A Tail To Be Told shall be responsible for all approved medical bills.
7. I agree to supervise veterinary care that may be required for this animal's health, care and well being throughout its foster care. If the animal is in need of medical attention, I agree to contact an A Tail To Be Told representative immediately and follow their instructions on where to take the animal. If a foster home takes an

animal in without contacting A Tail To Be Told, A Tail To Be Told may refuse to be responsible for medical expenses. I will call or text an A Tail To Be Told representative before seeking emergency medical attention, unless it is a matter of life and death where time is of the critical essence.

8. I agree to follow the instructions given to care for the animal's special needs, such as medication, special diet, etc.

9. I agree that it is my responsibility to help socialize this animal's behavior towards men, women, children, dogs and cats. In the event that problem behavior is noted, I will notify A Tail To Be Told so that A Tail To Be Told can determine an appropriate course of action for the animal.

10. If the animal is ready for adoption, I agree to have the animal available for showing. I agree to allow potential adopters to visit the animal at my home or at a place suitable to adopters, or allow the animal to be taken to another location to meet potential adopters.

11. When possible, I agree to help provide transportation of foster cats/dogs to A Tail To Be Told adoption events.

12. I understand that A Tail To Be Told will make the final decision regarding permanent placement of this animal with the recommendation of the foster home.

13. If I choose to adopt this animal as my own companion, I understand that I must go through the adoption process and will owe the adoption fee.
