

### **SIGNATURE REQUIRED WAIVER**

To ensure delivery of medical supplies, Healthy Living Medical Supply (HLMS) requires our delivery service to obtain a signature on certain orders based on value.

We also understand the possible inability for you to be present at the address to accept these packages.

We highly recommend keeping this requirement either by having someone present during the estimated delivery period or by providing an alternative address (i.e. workplace, family, friend or neighbor's address) to accept and sign for the package.

However, if this is still not possible, please fill out and sign below:

I, \_\_\_\_\_, hereby allow Healthy Living Medical Supply to remove the "Signature required delivery" of my order. I further understand that if package is Lost or Stolen, HLMS is not responsible for replacement or reimbursement of goods.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_
