

# TRANSPORTATION

## **Car Riders**

**Arrival** - Students will be dropped off in front of the building. If you are dropping a child off please stay in the right hand lane. If you are parking and walking a child in, please stay in the left hand lane and wait for cars to stop before crossing the driveway. Ms. Adele and others are outside helping direct traffic. Please follow their instructions to keep our students safe.

**Dismissal** - Students wait in the cafeteria to be called out to cars. Cars line up in both lanes. A staff member will come to the cars to get the names of the students being picked up. Please follow the directions of the teachers who are directing traffic. We have about 200 car riders. We are working to make this process as quick and as safe as possible.

## **Walkers**

**Arrival** - Walkers need to follow the directions of the crossing guards and only cross the streets when it is safe.

**Dismissal** - We have two groups of walkers who are brought out by teachers.

12th Ave Walkers are the students who cross at the light at 12th and Edgehill. Older students come out first. All students wait with their grade level to cross the street. Siblings, cousins, and others who walk home together meet at the corner across from the school.

Edgehill Walkers are the students who cross Edgehill by the driveway or who walk to Edgehill Center by themselves. Older students come out first. All students wait with their grade level to cross the street. Siblings, cousins, and others who walk home together meet each other after they cross the street or driveway.

## **Centers**

We have a few centers who pick up at Carter-Lawrence. If the center comes to the school in a van or bus, those students will be dismissed with the Car Riders. If the workers from the center walk to the school to pick up the children, the children wait outside the front office with some teachers until their center arrives to pick them up.

## **Fun Company**

Fun Company is run by the YMCA and is housed at the school. For more information about before and after care, please contact our front office at [charlotte.freeman@mnps.org](mailto:charlotte.freeman@mnps.org)

## **Bus Passes**

Students who qualify for Free or Reduced Meals may also get a bus pass to come to school. Please see Mrs. Freeman in the office if you have any questions about bus passes.
