

**Parent Involvement Policy
Cane Ridge High School
2015-2016**

Cane Ridge High School values the opinions and suggestions of all of our parents. We are a school that believes that all of our stakeholders are important and we make every effort to offer opportunities for them to participate in their child's education at our school by scheduling meetings to meet about their child's transcripts, grades, interventions, and extra-curricular activities. We offer showcases, team meetings, intervention meetings, workshops and trainings, financial aid options, college choices, career fairs, career choices, parent conferences, PTSCO, open houses, and academy showcases to allow parents to see what we offer at Cane Ridge to enhance their child's academic experience. Parents are invited to be a team member for each of our academies: The Academy of Law, the Academy of Health Management, the Academy of Architecture and Construction, and the Academy of Arts and Communication.

We will have an annual Title I meeting each year to communicate to our parents the requirements of being a Title I school. We communicate your right to be involved and to have a voice in the decisions that we make to increase student achievement. Parents are encouraged to be an integral partner in the development, reviewing, and evaluation of our parent involvement policy, School Improvement Plan, and academy plans. With the assistance of our parents, the School Improvement Plan will be updated and kept current to include the allocation of federal funds. A Title I vote will be taken to ensure that parents have had the opportunity to be a partner with the Cane Ridge family.
