# Warner Elementary School Compact

We believe that all children have the potential to make a valuable contribution to society. Through unified efforts of school, family, and community, we will provide a supportive environment that encourages success through learning.

Working together to build a successful school where learning is a priority, staff, parents, and students pledge to do the following:

As a school we will:

- Provide a safe environment for students.
- Communicate respectfully with parents on a regular basis. The staff will always be reasonable accessible to parents.
- Provide high-quality curriculum and instruction, which will help all children meet local and state requirements.
- Discuss the Parent-Student-School Compact at various school events, which are held monthly at varied times.
- Provide frequent reports to parents on their child's progress.
- Provide opportunities for parents to volunteer, participate, and observe activities in their child's class.

As a parent/guardian, I will:

- See that my child attends school regularly and on time.
- Provide a home environment that values education and encourages my child to learn.
- Communicate regularly with my child's teacher (s).
- Work with the school to encourage appropriate behavior and academic achievement by responding to teacher's notes, phone calls, etc.
- Show respect for the school, the teachers, and my child.
- Be aware of the teacher's homework policy and reinforce it at home.
- Assist my child with homework.
- Talk with my child daily about school activities.

As a student, I will:

- Come to school on time prepared to do my best
- Follow school and classroom rules.
- Complete all class work and homework.
- Show respect for myself, my school, my peers, and all adults.
- Take responsibility for my behavior.
- Set high goals for myself and work hard to achieve them.
