

## **DuPont Hadley Middle Prep Electronics Policy**

Students may have cellphones or other electronic devices at school, provided that from the time the student enters the building in the morning until dismissal, the items are turned off (not on vibrate) and concealed in a pocket, backpack, or personal locker. The possession of electronic devices is the responsibility of the student.

Students who do not comply with these guidelines will have the electronic device taken up by the teacher or staff person. The teacher will label the device with the student's name, put it in a plastic bag, and turn it in to the office. The parent or guardian must come to school for retrieval.

When the student reaches the third violation, the electronic device will be kept until the end of the year. Any successive violations will also result in the device being held until the end of the year.
