

Important Dates to Know

Start Smart—7th Grade Orientation

July 26-28 from 8am-11am

Thanks to the generous support of the MLK PTSA, the school is excited to offer its annual three-day summer orientation program for entering 7th graders. At Start Smart, students will meet (and get to spend some time with) their core academic teachers, learn the “MLK Way,” acclimatize to their new environment before the “upper-classmen” enter the building, receive information about their lockers and schedule, and hopefully have a little fun in the process. Below is a link (and QR code) to a Google (registration) Form for this program. Please take a minute and register.

We hope that all of our new 7th graders will be able to participate.

New Parent Orientation

Monday, August 1 @ 6pm

Learning the “MLK Way” isn’t just for students anymore! New Parent Orientation was designed a few years ago to give parents a better sense of what to expect from the 7th grade experience at MLK (for their children as well as themselves) and to give parents the opportunity to ask any burning questions that might have before students officially start school on

Wednesday, August 3, 2016. Again, we hope that everyone will be able to join us the night, but we understand that schedules can be hectic right before school so the materials used for the evening will be made available to anyone who might not be able to make it. Also know, students are welcome to come but again the evening will be geared mainly towards parents.

If you have any questions or concerns that come up between now and the beginning of the school year, please don’t hesitate to drop me an email (kyle.alexander@mnps.org), and I will do my best to be of assistance.
