## 8th Grade Supply List 2016-2017

Dear Parents of Upcoming 8th Graders:

This is a general list of supplies needed for 8th grade. Most of these supplies are available during the summer at amazing savings. We do not want you to miss out on such great saving and having an accurate list will help you in your planning for the year. Once school resumes in August, teachers may have some additional special requests for their class, but this is the big overall list of supplies used for CMS 8th grade students.

**We are looking forward to meeting you and your child this fall and having a great year of growth and learning!**
