

# november

## a note from the teacher...

Infinite campus will be up and running in January. Until then, feel free to email the teachers with any questions regarding you child's grades.

If you are having trouble helping your child with homework or just want to know what they will be doing in their classrooms until winter break, **please consider attending one of our PARENT NIGHTS!** The dates are listed in the don't forget section of this newsletter. **There will be 3 different nights: one for ELA, math, and science.** We look forward to seeing you there!

## this month...

Social Studies- finish up Egypt and go into ancient India

Science- Wrapping up Ecosystems and moving on to weather and the atmosphere.

Math- Continuing to work on ratios and transitioning to decimals and integers

ELA- applying our skills such as author's purpose to nonfiction texts about injustice

## and we are so excited about...

Parents,

We will be going on our first FIELD TRIP to TPAC on DECEMBER 2, 2016. \$8 and the permission slip will be due THIS FRIDAY NOVEMBER, 4<sup>th</sup>, 2016. If you are interested in chaperoning, please email Mrs. King at [victoria.cagle@mnps.org](mailto:victoria.cagle@mnps.org).

Thank you!
