## ABOUT OUR SCHOOL

Since its founding, Apollo Middle Prep has evolved and grown into a school that is now known for its diversity, educational rigor, heavy integration of technology and a focus on the arts. Since 2010, Apollo has undergone renovations that have included additional classroom space, student production rooms, iPad stations and a full maker space. In August 2015, Apollo was named a Rewards School, meaning that it was in the top 5% of schools for achievement growth on state tests

At Apollo, our faculty and staff value providing instructional leaderships while also building solid relationships with students and families. We believe that having solid relationships and maintaining high expectations for all are vital to the success of our students. Everyday, our students and teachers S.T.R.I.V.E. They Stay Focused, Take Responsibility, Respect Everyone, Inspire Others, Value Education and Expect Success!
