ABOUT OUR SCHOOL

A.Z. Kelley offers a challenging and engaging academic program, which includes Encore for our gifted and talented students and STEM Club for our 3rd- and 4th-grade students. As a team, our teachers and staff are dedicated to providing students with a high-quality, rigorous education that engages them academically while also attending to their social and emotional wellbeing.

Our success at A.Z. Kelley Elementary School is a team effort, and that includes the collaboration of support from both our student families and our staff. Our focus at A. Z. Kelley is to implement the Tennessee Standards while providing rigor, relevance and relationships for our students. As expectations continue to increase, we prepare our students to rise to any challenge.
