ADMINISTRATION

Principal: Dr. Amy Downey
Assistant Principal: Julia Ellmore

ABOUT OUR SCHOOL

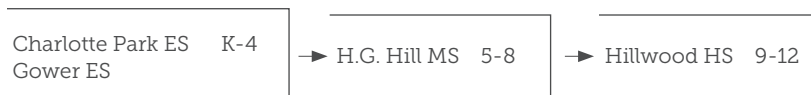

Charlotte Park Elementary is a neighborhood school in the heart of West Nashville. We pride ourselves on being very diverse. Our students represent 17 different languages, and we encourage our students and families to share their cultures through several programs each year. Our highly qualified staff members have dedicated their lives to the betterment of students.

Our vision is to keep our focus on our students every day. Our mission is for our staff, parents, guardians and students to collaborate in order to support the social, emotional and academic development of all students to prepare them for college and careers. We help do this through after-school tutoring and Encore, our district program for gifted and talented learners. We believe it takes everyone working together to propel students toward success, and we are dedicated to that work.
