ABOUT OUR SCHOOL

Cockrill Elementary School is vital and strong part of The Nations community in West Nashville. We offer a student-oriented, rigorous curriculum that has proven to move our students forward academically, physically and socially each year. Our faculty and staff members are dedicated to providing the highest quality educational program possible as well as meeting the social and emotional needs of every student. Families and the community are welcome as a strong part of our school and have many opportunities to be a part of our daily life in and out of the building.

We are excited to be one of the newest Metro Schools to offer Open Enrollment, and we hope you will choose to send your child to Cockrill where our Motto is COCKRILL COUGARS CAN.
