## ABOUT OUR SCHOOL

At Donelson Middle Prep, we ensure that every student has opportunities to learn and build positive relationships with others in a safe, nurturing environment. Our academic programs are thoughtful and challenging, while our extracurricular activities give students an outlet for exploring their talents and interests. Our staff practices blended learning, combining digital learning with traditional classroom instruction, and the arts are a part of our core academic curriculum.

Encore, a district-wide program, supports our gifted students, ensuring their curriculum is challenging and meets their educational needs. Our optional Cambridge Advanced Academics Program gives students a holistic understanding of the core subjects with a focus on inquiry, problem-solving and next-level thinking. We also make tutoring available to any student.
