## ADMINISTRATION

**Principal:** Mathew Portell

## ABOUT OUR SCHOOL

Fall-Hamilton is a growing school that has been providing high-quality education to the Wedgewood-Houston community for more than 30 years. We ensure that every student has the ability and opportunity for leadership. Our experienced staff and teachers are dedicated to providing every child with the best education available.

Our school offers an extended day with an additional 45 minutes of instruction during the school day and many special services that supplement our school program. We also use data to inform instruction, consistently implement new teaching strategies to increase student achievement and provide exciting, challenging enrichment opportunities for all students.
