ADMINISTRATION

Principal: Jeanna Collins
Counselor: Eileen Hernandez

ABOUT OUR SCHOOL

Glendale, the only Spanish Immersion School in Nashville! We believe that learning another language is a critical building block for tomorrow's global leaders. Throughout the school, our curriculum recognizes diversity and cultural awareness. All reading and language arts are taught in English, while Spanish is taught through math, science and some social studies. In addition, every child receives specialized art, music or physical education daily.

Grade-level teams, the librarian, and related arts teachers collaborate to provide a rich learning environment which challenges students to reach their full potential and highlights the Spanish culture found in our school. By celebrating diversity, our teachers work to challenge, excite and support all students as they embark on a lifelong learning adventure.
