## ADMINISTRATION

Principal: Gerry Altieri

## ABOUT OUR SCHOOL

Harris-Hillman is a public school serving students with multiple disabilities and dual diagnoses ages 3-22 years who live in Davidson County. A highly trained and skilled staff of teachers, therapists, support teachers and paraprofessionals offer instruction designed to meet the individual needs of each student. Our programming emphasizes sensory stimulation, gross and fine motor development, acquisition of self-help skills and opportunities for socialization.

We have developed a curriculum that provides students with exposure to grade level-appropriate content through literature and modified activities. We believe the students at Harris-Hillman are amazing and aim to make sure they think so as well.
