ABOUT OUR SCHOOL

Welcome to Maxwell Elementary where "We Lead From Within" by taking care of our students, ourselves, and one another. Our goal is to meet all of our students' needs. We understand that a holistic education includes being attentive to the academic and social emotional needs of our students. We consider Henry C. Maxwell to be a community outreach center. Our doors are open to all in our community. We make a concerted effort to be involved in the Cane Ridge community because we realize the more we are engaged with our families, the more opportunities we have to impact our students positively.
