ABOUT OUR SCHOOL

Hillwood High School is made up of three NCAC Model Career Academies and Freshman Academy. Students complete the First Choice process and arrive to the Hillwood Freshman Academy having already selected a pathway that suits their interests. Following their Freshman year, students join one of the three career academies: The Academy of Health Sciences, The Academy of Business and Hospitality, or The Academy of Art, Design, and Communication. Within these academies, students complete a pathway of courses to prepare them for college and future careers.
