## ADMINISTRATION

**Executive Principal:** Dr. Sam Braden, III

**Assistant Principals:** Howard E. Jones, Jr, Dr. Kelly Latham

## ABOUT OUR SCHOOL

As a STEM school, John F. Kennedy Middle Prep places a focus on science, technology, engineering and mathematics. Our teachers and staff practice blended learning, meaning students can be involved in choosing the pace at which they learn through various media. We take pride in being an inviting school for students and their families.

We practice restorative justice, a disciplinary mindset based on respect, responsibility, relationship-building and relationship-repairing, that focuses on mediation and agreement rather than punishment. Our faculty is dedicated to providing an educational environment dedicated to academic excellence, respect and safety of every member of our community. Our teachers use research-based techniques while making data-driven decisions to increase student achievement.

## A TYPICAL DAY AT SCHOOL
