**Counselor:** Joanne Fields

## ABOUT OUR SCHOOL

Whitsitt Elementary serves a diverse population of students and families. Our faculty and staff work collaboratively with parents and community partners to enhance the academic, artistic, social and emotional needs of all students. Our faculty provides individually tailored instruction in reading and math to support each student where they need it most.

We believe that all students can learn at high levels when given the tools to fit their individual needs. We have high expectations for all of our students, and we are proud of the standards of excellence that our faculty, staff and students uphold. Together, we ensure a high-quality education for all of our students.
