**Assistant Principal:** Ms. Toni White  
**School Board Rep:** Tyese Hunter  
**Council Member:** Karen Johnson

## ABOUT OUR SCHOOL

Lakeview Elementary offers not only a challenging curriculum, but an emphasis on character education for students in grades PreK - 4. We are a design center whose focus is on themes such as responsibility and respect. We proudly serve a diverse population, and we work hard to grow our students both intellectually and emotionally.

We offer blended learning opportunities throughout the school, 2nd thru 4th grades are departmentalized by subject, and our Encore program serves our gifted and talented learners. Our faculty, staff, and administration work closely together to help make our entire school more like a community. Our teachers have wonderful support, and we go above and beyond to include our families in our environment.

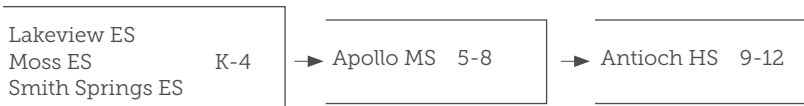

## A TYPICAL DAY AT SCHOOL

**Reading Block (including intervention):** 120 minutes  
**Math Block:** 90 minutes  
**Related Arts (art, music, computer, physical education, or health):** 60 minutes  
**Lunch:** 30 minutes  
**Daily recess sessions**  
**Social Studies and Science** are integrated into our math and reading blocks. Our students have access to our library throughout the day.
