Family Liasison Specialist: Amy Leslie, amy.leslie@mnps.org

Counselors: Anginita Adams, anginita.adams@mnps.org

Desiree Alford, desiree.alford@mnps.org

ABOUT OUR SCHOOL

At McMurray, we're committed to keeping families informed, partnering with parents in educating their child and organizing events that connect the community with our school. We are a STEM school, meaning our academics are focused on science, technology, engineering and math

Our teachers work to provide a quality education so that all students—including English learners—can develop strong language, critical thinking and social skills within a supportive and culturally respectful environment. At McMurray Middle, our goal is to create a strong partnership with parents and the community to help our students become successful, productive members of society.
