Principal: Dr. Natalyn Gibbs
Assistant Principal: Dr. Cheryl Bowman
General School Assistant: Karen Tomlin
School Counselors: Charlie Traylor, Danielle Thweatt
Instructional Coach: Lori Partin

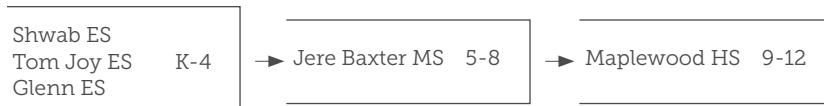

ABOUT OUR SCHOOL

Shwab Elementary is a neighborhood school where teachers are dedicated to ensuring all students become life-long learners and leaders. They help students prepare for success in middle school and beyond by developing problem solving, critical thinking and collaboration skills. We strive to build a positive school culture so that students love coming to school. For example, we provide additional time for students to receive enrichment every Friday including club time, personalized academic support, and engagement with community partners. Our students develop strong social and emotional learning skills by building relationships with teachers, expressing emotions in morning meetings, and learning how to greet others. These interactions create a safe and consistent learning environment where students feel confident to be themselves in the classroom.
