ABOUT OUR SCHOOL

Tom Joy Elementary is a growing school that is committed to providing a caring and supportive staff and a safe productive learning environment for each child. We promote lifelong learning through a clear focus on improving student achievement and personal growth.

We personalize our instruction to meet the needs of our diverse population, and our goal is to assist every student to make the connection to school, career choices and opportunities. Every day we strive to provide our students an opportunity to apply what they have learned in the classroom to real-life situations.
