## ABOUT OUR SCHOOL

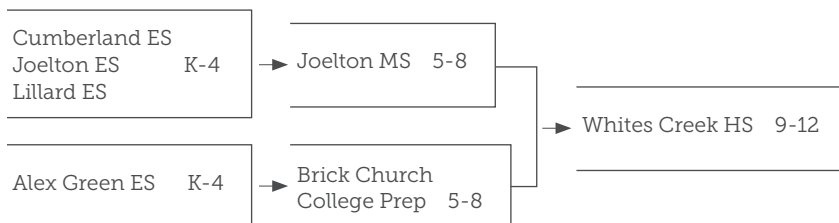

Our mission at Whites Creek High School is to embrace the diversity of all students while providing a rigorous learning environment that supports personal growth, student ownership and community pride. Our school offers a positive, supportive environment that puts the focus on students' needs. Our students take classes according to the distinguished, nationally recognized academy models.

Any educational journey here at Whites Creek will be met with high-quality teaching, a rigorous learning environment. We offer a wide range of advanced academic programs, including Advanced Placement courses and the Cambridge Advanced International Examinations, which help our students become confident, responsible, reflective, innovative and engaged citizens.
