Benchmark Testing

We will have Math benchmark testing Tuesday-Wednesday, March 14-15th. Please encourage your students to be on IXL for math and nashville.schoolnet.com to review their ELA tests.

Also, encourage them to go to bed early those nights. Thank you for your support!!!

Spring Break

Spring break is fast approaching. Students will be out from Thursday, March 15 to Monday, March 27th. They will return to school on Tuesday the 28th.

Vocabulary.com

Every Wednesday, the top 15 vocab.com students for the past week receive a special treat at lunch. The top student every Friday gets Dairy Queen for lunch.

Progress Reports

Progress reports will be coming out after break. Please go to the family portal to see your student's grades before then. If you have any questions, contact the teachers. Encourage your student to do their make-up work given to them by their teachers.
