

First Grade Supplies Request

The first grade team would like to help families get school supplies this year by purchasing items for you to save time and money! In lieu of a supplies list, the first grade team would like to request a monetary supply fee

of \$20 in order to purchase appropriate supplies for the school year. This will ensure that each student will have an equal and fair amount and quality of supplies.

Additionally, teachers will be able to procure supplies at a lower rate due to our teacher discount. We want to make sure that each first grader is ready for a school year full of learning, so we will be able to provide the items they need!
