

Dear Parents,

On behalf of the staff at Antioch High School, we are happy to welcome you to the 2017-18 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful at school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for student success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

1. Attends school daily and arrives on time, ready to learn.
2. Completes all school/homework assignments given by teachers.
3. Reads daily to improve literacy skills and develop a love for reading.
4. Shares school experiences and updates with you so that you are aware of his/her school life.
5. Informs you if he/she needs academic support.
6. Knows that you expect him/her to succeed in school and is college and career ready.

Please consider joining our school volunteer program as our students can greatly benefit from your involvement and contributions to the school's program and its operations. We seek volunteers to help us with the following activities:

1. School-wide events
2. Student recognition events
3. Parent and community volunteer outreach and recruitment

I am attaching a copy of our school rules so that you and your child can review them together. If you have any questions about the rules and expectations, please feel free to contact me or discuss them with your child's teacher. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year. Please review the MNPS Student-Parent Handbook which can be accessed at www.mnps.org.

The wonderful Antioch High School staff and I feel privileged to be part of this community. We thank you for your support and look forward to working with you.

Sincerely,

Dr. Keiva Wiley

Executive Principal
