

About the Family School Compact

What Is It?

The Hickman Family School Compact is a written agreement teachers and parents develop together explaining how they will work together to ensure all students reach high academic standards.

Our compact

- Is linked to the goals of the Hickman School Improvement Plan
- Is focused on student learning skills
- Describes how teachers will help students develop necessary skills using high quality instruction
- Shares strategies parents can use at home

The Parent School Compact is developed jointly by teachers, parents, and students. The compact is reviewed yearly and changes are made based on student needs.
