STEAM ELECTIVES

Kids and teachers are excited about starting our STEAM Electives. Thursdays from 3:00 – 4:00, students rush to their electives to engage in a variety of classes which include Robotics, Chess, Photography, Coding, Journalism, Art of Language, Culture & Cooking, Patchwork Math, Painting: Fire & Ice, Lego Mindstorm, Drama, Myth Busters, and several others.

DAY OF DISCOVERY

We are looking for more amazing student scientists to join us in Day of Discovery. 7th&8th grades are just finishing up our unit on Biomimicry and are about to

tackle renewable energy by building solar panels with raspberries and water testing to analyze local water quality. 5th&6th have studied physical & chemical changes and force with Elephant Toothpaste and Effervescent Launcher Labs.

i3 GROW STEM

We are recruiting for i3 STEM as well. Come join us! We are at the end of our vertical and hydroponic units and have some fun field trips coming up to TSU and a Predators Game and learned a lot at Camp Widjiwagan!!

SCIENCE OLYMPIAD

We still have a few events open for students to join the Science Olympiad Team See Dr. Whitlock for more information.
