ABOUT OUR SCHOOL

Crieve Hall offers a tradition of educational excellence. We are a vibrant and diverse learning community where all children always come first. Our highly qualified teachers and motivated staff work with our students to excel. Our diverse student family lends us an international spirit that reflects real life in our community. Parents and staff love Crieve Hall because it feels like a small neighborhood school, despite enrolling nearly 500 students each year. We accomplish this through our strong partnerships with our PTA, our families and our community.
