ABOUT OUR SCHOOL

Robert E. Lillard Elementary is a great school with a rich history, and our staff looks forward to helping our students get the most out of their time with us. Our teachers encourage curiosity and respect, and we reward good behavior and kindness.

Our goal is to ensure our students become lifelong learners and have the opportunity to succeed. To do that, we have created a safe place for students to learn and grow. We offer high-quality instruction and after-school tutoring. We also set high expectations for our students, our staff and our parents and provide the resources to exceed them.
