ADMINISTRATION

Principal: Elnora Mitchell
Counselor: Meredith Dixon

ABOUT OUR SCHOOL

At Chadwell Elementary, we encourage high levels of achievement and believe success is always possible. Every day, our students learn English/language arts, math, social studies, science and related arts, and they participate in one hour of personal learning time. We offer before- and after-school tutoring in the areas of English, math, reading, enrichment and computer skills. We also offer Encore, the district's program for gifted learners.

Our faculty and staff take pride in providing an environment that promotes learning, respect and academic success. Our schools offers a warm, welcoming atmosphere for both students and families. In addition, our school offers family- and parent-training sessions focused on a variety of topics in order to support parental involvement and engagement.
