ABOUT OUR SCHOOL

Maplewood High School is home to three Academies of Nashville that offer unique learning opportunities and hands-on career experience. The Academy of Entrepreneurship and Innovation offers a state-of-the-art entrepreneurship center, a complete automotive care center in partnership with Firestone and experience in cosmetology through a fully functional salon. The Academy of Energy and Power includes a lab that has produced award-winning products with an outdoor lab soon to come in conjunction with NES and Stansell Electric. Finally, the Academy of Sports Medicine and Wellness lab has helped countless students become CPR and EKG certified with a St. Thomas Medical Clinic open to the community and school members.
