## ABOUT OUR SCHOOL

Old Center Elementary is full of opportunities for our pre-K-4 students to learn, grow and engage. Students have the opportunity to show their talents in school leadership or the arts, all while setting a great example for our younger students.

Our motto is "Learning today, leading tomorrow" and our faculty and staff work together to make sure our students are empowered to do just that. Our students, parents, teachers and community leaders work collaboratively to provide a nurturing, supportive learning environment.
