Academy Coach: Mr. Trip Nicholson

ABOUT OUR SCHOOL

Hillwood High School has three career academies: Academy of Art, Design and Communications; the Academy of Business and Hospitality; and the Academy of Health Sciences, all of which have been designated by the National Career Academy Coalition as model programs. Hillwood was the first high school in the district to achieve this recognition. Within each academy, there are multiple pathways in which students are able to focus their studies. Additionally, we offer six nationally recognized industry certification opportunities.

Not only does Hillwood help its students become career ready, it also prepares them for college. Hillwood offers 19 Advanced Placement courses, the most of any zoned school in Nashville, as well as nine dual-credit/dual-enrollment opportunities. One of the reasons Hillwood students are so successful is because of our state-of-the-art facilities, including a newly remodeled culinary arts lab and library equipped with 3-D printer.
