## ABOUT OUR SCHOOL

One of the top-performing zoned middle schools in Nashville, Bellevue Middle offers a challenging curriculum in a caring environment. Our teachers, counselors and other professionals all work with our students on both academics and social emotional learning and are always updating our programs to fit the needs of our students. Adjacent to our school is a community garden and public library, both available to our students and teachers every day.

All of our students participate daily in our outstanding Response to Intervention and Instruction (RTI<sup>2</sup>) program, which helps them grow in their learning. Bellevue is one of the few middle schools in the district that offers the distinguished International Baccalaureate program and provides numerous opportunities to earn high-school credit. We also offer Advanced Placement classes and the ENCORE program.
