ABOUT OUR SCHOOL

Safe, clean, engaging, nurturing, challenging and fun. These are just a few words that describe the learning environment at Caldwell Enhanced Option Elementary School. We demonstrate how much we care for our students by establishing high expectations. At Caldwell, you’ll find highly qualified teachers and staff who employ a variety of strategies to provide a solid educational foundation to all of our students.

We expect all of our students to be respectful, responsible and safe. As an enhanced option school, Caldwell boasts an extended school day and small class sizes. We offer uninterrupted literacy and numeracy blocks, and we give our students plenty of one-on-one and small-group learning time. We aim to create an engaging, hands-on learning community where we can maximize the potential of every student.
