ABOUT OUR SCHOOL

Cumberland Elementary School is dedicated to providing a learning environment where students can excel academically in a safe and secure environment. Our staff works hard to provide a safe, engaging atmosphere for every student by cultivating positive learning environments, establishing genuine relationships and communicating effectively with parents and students. Parent volunteers are needed and always welcome. We offer Reading Recovery to support our early readers, and our teachers and staff weekly plan to ensure that we are meeting state standards and giving each child a high-quality education. We also offer the Encore program for our gifted and talented students. Teamwork is an essential part of our school.
