ABOUT OUR SCHOOL

Rose Park Magnet Math and Science is a premier middle school magnet program in Nashville that offers a high-quality education program with a curriculum emphasis on real-life applications and connections to future college and career options. Here you will find passionate educators, supportive community members, engaged parents and amazing students who are all committed to making Rose Park great.

We are focused on providing high-quality learning opportunities for students and teachers with an emphasis on the four C's: collaboration, communication, critical-thinking and creativity. Our curriculum has a STEAM focus that is integrated across all content areas. We pride ourselves on being a student-centered environment focused on student engagement by making learning authentic, unique and fun.
